

## **Ethos Management A secret to social media's reality**

### **DESCRIPTION:**

Social media offers connectivity, but it is important to find a balance. Learn about how it is changing our perceptions of ourselves, others, and the world. In this panel discussion, you will get to know more about Social Media, the dark side of it. We will be inviting YouTubers and bloggers for this panel discussion.

### **RULES:**

- This panel discussion will be for 1 hour.
- Participants of all branches/fields can take part in these events.
- During the event no doubts will be taken, after the panel discussion you will get time to ask your questions and solve your doubts.
- You will get the following points covered after the event-
  1. What social media is?
  2. How to handle social media perfectly?
  3. Dark side of social media?
  4. How social media can bring you an opportunity?
